Date Night Deck

80 Questions & Challenges

Five rounds — from light icebreakers to deep questions, playful challenges, quick-fire choices, and looking back and forward together. Pick a round that fits the mood, or work through them all.

How to use this deck

Put your phones away. Take turns picking a question — either go in order or jump to whichever round fits your mood. There are no wrong answers; the point is the conversation, not a "correct" response.

Round 3 is different from the others — those are things to actually do together, not just discuss. Feel free to skip any question that doesn't fit your relationship stage; there's no pressure to go through every one in a single night.

Round 1 — Icebreakers

Light, easy ones to start the night and get you both talking without any pressure.

Round 2 — Getting Deeper

Slow down for these. No rushing to the next one — let the answers breathe.

1. What does feeling truly loved look like to you, day to day?

2. What's something you've never told me because it never came up, not because it's a secret?

3. What's a fear you have about the future that we haven't talked about?

5. What's something I do that helps you feel calmer on a hard day?

6. What's a belief you held years ago that you no longer hold?

7. What does "home" mean to you beyond the physical place?

8. What's something you need more of from me right now — not because I'm failing, just because life changes?

9. What's a moment you felt proud of yourself this year?

10. What's something about your family that shaped how you love?

11. What do you think is our biggest strength as a couple?

12. What's one thing you wish I understood about you more?

15. What's something you're grateful for about this relationship right now?

16. What does a good apology look like to you?

Round 3 — Fun Challenges

Do these together, right now — no overthinking, just play.

1. Recreate the photo from our first date, as close as you can, right now.

2. Slow dance to one song, no phones, lights low.

3. Each write down 3 words to describe the other — compare without explaining first.

4. Cook or order something neither of you has tried before.

5. Give each other a 2-minute hand or shoulder massage, no talking.

6. Take turns drawing each other in 60 seconds — no peeking until done.

7. Write a one-sentence "headline" for your relationship this year.

8. Swap one household task for a week — decide right now which one.

9. Plan a full day together with zero phones — pick the date.

10. Each name one thing on your bucket list you haven't shared before.

11. Try to guess each other's answer to "what's my current favorite song?" before saying it.

12. Take a selfie doing your most ridiculous face together.

13. Handwrite one thing you appreciate about the other and trade notes.

14. Pick a place neither of you has been within an hour's drive and plan to go this month.

15. Each share one skill you'd want to learn together.

16. End the night by saying one thing you're excited about for the two of you next year.

Round 4 — Would You Rather

Quick picks — answer fast, then talk about why if you want to.

1. Would you rather travel every month with less savings, or travel once a year with more?

2. Would you rather always know what I'm thinking, or always know what I'm feeling?

3. Would you rather we lived near family or somewhere completely new, just the two of us?

4. Would you rather have more free time together or more money for fewer, bigger trips?

5. Would you rather I always tell you the full truth immediately, or give you time to ask?

6. Would you rather we celebrate big occasions loudly with others, or quietly, just us?

7. Would you rather live somewhere with perfect weather or somewhere with your favorite people nearby?

8. Would you rather have a home that's always tidy or always full of guests?

9. Would you rather learn a new language together or a new sport together?

10. Would you rather have one long vacation a year or several short ones?

11. Would you rather we argue it out immediately or take space and revisit later?

12. Would you rather retire early with a simple lifestyle or work longer for a bigger one?

13. Would you rather I plan the surprises or you plan the surprises?

14. Would you rather we host every holiday or travel for every holiday?

15. Would you rather have a big wedding-style celebration for an anniversary or a quiet weekend away?

16. Would you rather always have the last word or always get the last laugh?

12. What's something about "us" that you're most proud of?

13. What's one way you'd like us to grow closer this year?

15. What's something you want future-us to remember about tonight?

16. In one sentence: what does "us" mean to you right now?
